STUDY ASSOCIATION THALIA

PARTNERSHIP OPPORTUNITIES
RADBOUD UNIVERSITY NIJMEGEN

Meet Radboud's computing talent.

Thalia is the study association for Computing Science and Information Sciences students at Radboud University in Nijmegen. Through lectures, thesis markets, our symposium, website and the Thabloid magazine, partners meet students from first year to master's level.

Company Visibility package	€950
Events package	€1,100

€300 less than both packages booked separately

02 — FLAGSHIP MOMENTS

Symposium & company borrel

7 APRIL — **Symposium · Everything is Hackable**

Our biggest event: five rounds of talks on cybersecurity in everyday life, a company market and a closing borrel. Around 115 students.

Stand **€300** · Speaker **€400** · Stand & speaker **€600**

15 APRIL — **Company borrel**

Once a year, companies meet our members informally on campus over drinks and snacks. Around 50 people.

Participation **€400**

Stands and speakers appear in all symposium promotion. Market companies need not relate to the annual theme.

03 — À LA CARTE
